DOGS FINISH 9-1

10 IN ARKANSAS

2 IN AAA

MHS had one of its best starts ever in 1979. The Dogs defeated Atkins in the season opener 19 to 0 in a driving rainstorm. During the game, Morrilton suffered a great loss in an injury to quarterback Cal Mallett.

Tough schedules have always been a marking of a good football team and the Dogs had one of the toughest ever. The next 4 weeks were weeks of close games and tough opponents. MHS defeated Alma, the eventual Class AAA runner-up, by a score of 14-0. The Subiaco Trojans, having one of their best years ever, played close but the Dogs prevailed 14 to 7.

Coming home and starting the conference race with Cabot was almost more than MHS could handle, but handle they did, and started the conference 1-0 by defeating Cabot 14-13 on a 90 yard kick-off return by Bernard Windom, and a 78 yard pass from Landy Roberson to Terry Templeton.

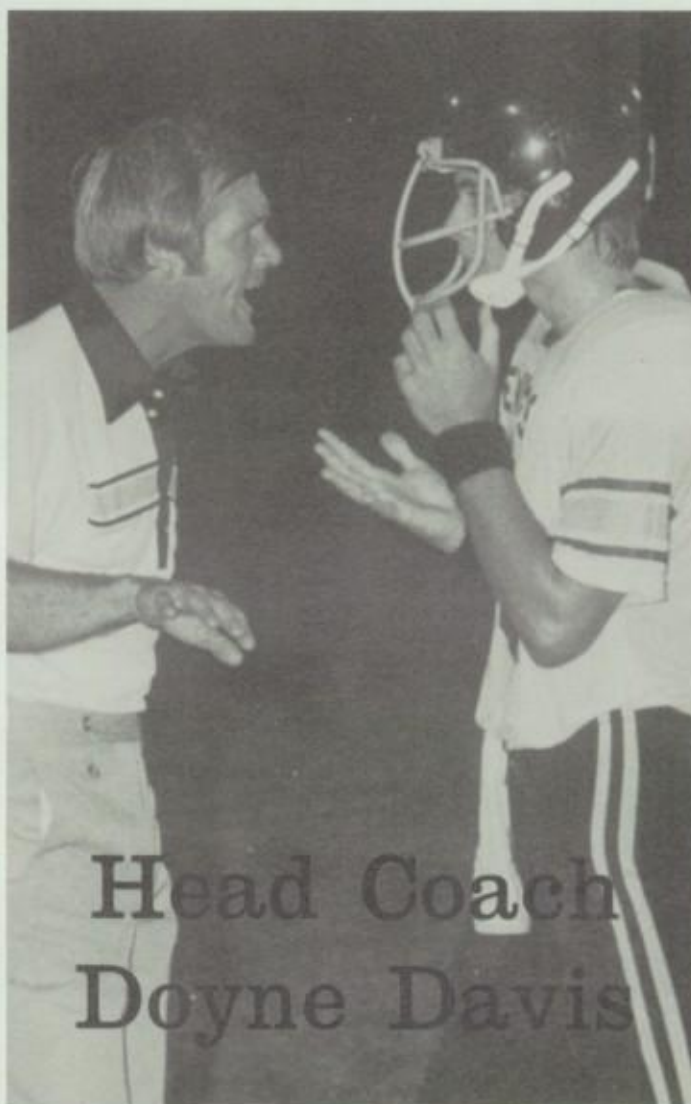

The next two weeks were almost more than any Morrilton team could ever hope for. For the first time since 1971 MHS defeated Conway and Russellville. New starting quarterback Chuck Shipp led the Devil Dogs to a 14-13 win over arch rival Conway. A long awaited Russellville game was finally here and Morrilton played with tenacious defense and totally dominating offense, to pay RHS back for a long overdue debt and defeated the Cyclones 26-8.

Again it happened, Lonoke found the key and locked the door on the Dogs trip to the playoffs, by defeating MHS 20-17 in a true down to the wire conference championship game. The Jachrabbits scored with 2:08 to play to go ahead 20-17 and eventually lift them into the playoffs for the second straight year.

The final three games were three of the best played all year by the 79 Devil Dogs. Homecoming is becoming "THE" game for MHS. The Dogs handed Queen Ranell Ellis its biggest victory, in beating a great Stuttgart team 27 to 0 in one of the best offensive and defensive performances in many years.

Traveling to Searcy to play their final conference game of the season and facing one of the best running backs in Arkansas, Morrilton again rose to the occasion and soundly defeated the Lions 35 to 3. The same night, Lonoke defeated Stuttgart 7 to 6 and put away all hopes of the Dogs going to state, MHS had nothing left to play for except pride, and the next week MHS took their Dog Pride and passed it on to the tune of a 35 to 8 victory over North Pulaski, ending the season with an impressive 9-1 record.

“One more time . . . Just for a memory”

Ranked number 10 in the state, number 2 in Class AAA, tied for a conference championship, best regular season record, at 9-1 since 1972, and not going to the play-offs. So was the fate of the '79 Devil Dog football team. All major goals accomplished by beating Conway and Russellville, all major goals except one; Beating Lonoke. To have overcome the things the '79 Dogs overcame and still have the season, the rankings, and the recognition, they should be applauded over and over again. Losing a first team 2000 yard rusher, losing a seasoned quarterback, in one conference game playing without 5 starters and still winning 9 games and losing only one, this was truly a "Class" football team. Class is the only thing that could have carried them through that kind of a season.

Dogs Are 1980 AAA State Runner-Up

62 - 61 Triple Overtime

All
State

All
State

The 1979-80 Basketball Devil Dogs had another "classy" year under head coach John Widner. The Dogs captured the 5AAAN championship in convincing style with a 7-1 conference record, and advanced to the state tournament where they really showed Arkansas what Devil Dog basketball is like.

MHS got off to a streaking start at 5-0 before old foe Conway, put a halt to the streak by defeating the Dogs 47-46 in a nip and tuck contest. The Dogs then traveled to Green Forest to compete in their tournament, and compete they did. They came home with the championship trophy and the sportsmanship award. The Dogs beat Bergman 54-27, Harrison 72-40, and Valley Springs 50-40 to capture the title. Riding a 10-1 record, MHS traveled to Russellville to defend it's Arkansas Teck Tourney title from last year, but the newcomer to the ranks, Jacksonville, came to be the headliner. The Red Devils defeated the Dogs 56-52 in the semi-finals and went on to win the tourney. The last half of the season proved to be the most gratifying for Morrilton, if revenge is gratifying. The Dogs beat Conway at Conway 53-43, lost to Lonoke and then came back to beat them 16 pts before a huge crowd at home, then again 11 pts in the Region Tourney. Defeated the remainder of the conference teams with ease, and went into the Regional playoffs as the conference 5AAAN Champs. MHS went on to capture the Southeast Regional Tourney by defeating old nemis Dollarway 51-33 and in the finals, Dumas by a score of 66-59 to advance to the state playoffs seeded second with a record of 24-3. Everyone knew when it was all said and done Morrilton and Magnolia would be in the AAA state finals, and so it was, as the Dogs defeated Ashdown and Wynne and on Saturday night, it was Magnolia and Morrilton at center court. But it was not to be for the Dogs, who outplayed the Panthers everywhere but on the scoreboard. Magnolia's sharp shooting forward, Alan Hayes, who hit an eight-footer at the buzzer in the second overtime, banged a towering jumper from 10 feet with 4 seconds remaining to allow the Panthers to nip a daring Morrilton 62-61 after three overtimes.

The Dogs finished the year 26-4, as the AAA state runnerup.

Lady Devil Dogs Finish: 23-6

All Region

The 1979-80 edition of the Lady Dogs had one of the "classiest" years ever under Head Coach Jim Chism and Assistant Coach Lee Clay, as they played 5 on 5 basketball for the first time in Arkansas. The girls didn't let the new style and rules bother them though and proved this by having a record of 23 wins and only 6 losses at the end of the season.

The Lady Dogs opened their season against Lamar and won easily as they did the next five games. The Lady Dogs experienced their first loss against Scranton in the Arkansas Tech Tournament, by a score of 42-43.

Then the big games started and they played rivals Russellville twice, Conway, and AAAA Benton, and came out winners in each of those games. The Lady Dogs then took their toll on the Conway Tourney, by taking the 1st place trophy home to Morrilton with them after defeating Little Rock Mills 39-26, St. Joseph 45-32, and Conway 30-24. The Lady Dogs then began their conference play against Stuttgart, but came upon the short end of a 46-47 score. But the Dogs came back to win it's next two conference games against Searcy and Cabot as well as match games against Lamar and Conway. The girls then learned of the curse of the Lonoke Jackrabbits and lost their 2nd conference game 31-41. After this the Lady Dogs met Stuttgart and were winners this time as they won by a score of 59-49 and won the rest of their conference games until meeting Lonoke again. The Lady Dogs gave it their best for the last regular game of the season but couldn't overcome the Jackrabbits and lost 36-44 and had to settle for 2nd place in the conference.

The District Tourney then began and the Dogs advanced to the finals by defeating Cabot 45-37 and then Searcy 54-27. The Lady Dogs once again faced the Lonoke team and once again had to settle for second as they took home the District Runner-up trophy.

The Lady Dogs then traveled to Monticello to face Watson Chapel in the semi-finals of the Regional Tourney. The score was neck and neck all through the game ending in a 41-41 tie at the end of regulation play, and the Lady Dogs fell short with the score being 42-45 at the end of the overtime. This game ended the fine season for the Lady Devil Dogs.

Being rated as high as 6th in the state at one time, their final loss dropped them out of the ratings. Even though the starting team consisted of 4 seniors and 1 sophomore, the Lady Dogs had great depth on the bench and are looking forward to an even better season next year.

M.H.S. Football Cheerleaders Go Dog Wild!

Even before the games start the cheerleaders are hard at work attending the U of A camp, selling ads and feeding the football players cookies, Kool-Aid, watermelon, and pop cycles. When the games do start, they continue their hard work by decorating the field house, painting signs and selling programs. This year through all their hard work, they cheered the Dogs through a 9-1 season.

ABOUT

TOWN

1. Members of the Band Council are Lori Tindall, Dana Bradshaw, Tammy Rankin, Lynn Littrell, Lisa Pearce, Jamie Watson, Jim McDonald, Larry Brents, Paul Murph, Randy Russell, Robert Bishop, John Wilson, Ricky Nooner, Doyle Wilson, Howard Chenalt, and Rocky Gibby. 2. Seniors of 1980 - Clark Turney, Beth Nichols, Dolly Austin, Lisa Pearce, Jamie Watson, Shannon Frach, Paul Murph, Ronnie Hubbard, John Wilson, Robert Bishop, Shannan Warren, Doyle Wilson, Randy Russell, and Vicki Kelly. 3. In September of 1979 Morrilton Celebrated its 100th birthday. The festivities climaxed with a huge parade that was attended by many Arkansas celebrities. Channel 11's sportscaster, Gary Hogan, joined the Band to march with us in the parade. 4. To say that Mike Cunningham is our Manager is an understatement. He does all the menial tasks that band directors sometimes feel are beneath them, and he is always happy to run errands. We couldn't survive without him. 5. Every three years the Band is allowed to take an out-of-state trip, and 1980 is our lucky year. In order to raise money for this trip, we sponsored a haunted house during the week of Halloween. Luckily we didn't have much trouble finding frightening attractions - we had all we needed in our bandroom.

I would like to take this space to thank the many people that helped make the 1980 AYER such a success. First of all, to the faculty of MHS, as usual you were very cooperative in the many times you had to sacrifice the students when they were working for me and the annual. Next, of course, the administration that allowed me to have such a free hand in what we were trying to do. All you people are very much appreciated, even if it isn't said to you every day. And last of all but certainly not least, the AYER staff itself. This is the best group of students anyone could possibly want to work with. Especially thanks to Tim McClain who spent an entire year giving up week-ends and nights to make everything come out so perfect. If you thank anyone for your excellent AYER, I certainly hope you thank Linda.
